# KESTREL ENERGY — RETAIL DIVISION

**Half-Year Business Review · H1 2026 (January–June)**

The Trading Division is reviewed separately.

| Highlights | Watch items |
|---|---|
| Smart-meter self-service portal launched in February.<br><br>Digital billing adoption reached 71%, up from 58% at the end of 2025.<br><br>Call-center volume down 18% year over year. | Billing-run failures in April affected ~3,200 customers; credits were issued.<br><br>A portal accessibility audit found 12 issues (4 critical).<br><br>A regulator inquiry on estimated bills is still open. |

## Goals for H1

| Goal | Result |
|---|---|
| Digital billing adoption ≥ 70% | 71% — met |
| Platform uptime ≥ 99.5% | 99.5% — met |
| Launch self-service portal | Launched Feb 2026 |

## Operational KPIs

| Metric | H2 2025 | H1 2026 |
|---|---|---|
| Digital billing adoption | 58% | 71% |
| Avg. API response time (ms) | 340 | 220 |
| Billing-run success rate | 99.1% | 97.8% |
| Monthly active portal users | — | 84,500 |

## Risks

- The regulator inquiry could result in a fine or mandated process changes.
- Billing-run failures may recur when the new tariff structure launches in Q3.

## Actions

| Action | Owner | Due |
|---|---|---|
| Fix critical accessibility issues | JM | 2026-07-31 |
| Root-cause analysis of April billing failures | PR | 15/07/2026 |
| Prepare response to regulator inquiry | Legal (Kestrel) | TBC |

Owners: JM = Jonas Meyer (Portal team), PR = Priya Raman (Billing ops).
